

# Study abroad experience at Kwansei Gakuin University!

## One-day Japanese Language and Culture Experience Program

Kwansei Gakuin University will hold a "One-day Japanese Language and Culture Experience Program" for those who are interested in studying at a Japanese university. As a part of the study abroad experience at KGU, you may enjoy the atmosphere of studying Japanese and culture by participating in, or observing Japanese language class for the beginner to intermediate level\*. In addition to experiencing Japanese class activities, you are invited to a virtual tour of various tourist attractions in Kyoto! Come and experience our Japanese language and culture program in preparation for your future study in Japan.

\*JLPT(Japanese Language Proficiency Test)N4~N3, CEFR A2-B1

# Study abroad experience at Kwansei Gakuin University!

## One-day Japanese Language and Culture Experience Program

### Topic 1

Learn about a variety of study abroad programs at KGU!

We will introduce you to the most suitable study abroad program for you based on your academic schedule, level, and purpose of study abroad!

### Topic 2

Experience KGU's Japanese language class

(beginner to intermediate level)

Experience a university lecture! We also plan to have an interacting session with KGU students in the class. Let's talk in Japanese! There will be two groups: participants and observers. The number of participants is limited to 30.

### Topic 3

Kyoto Virtual Tour 

Get your own VR goggles ready to participate in this tour. The tour will take you around Kyoto's famous spots in 2D images. You can also enjoy the tour without VR goggles!

### Topic 4

Individual counseling (by request only)

The person in charge of exchange programs, undergraduate and graduate admissions, and short-term programs will hold consultation sessions.

A certificate of participation will be issued to those who submit a questionnaire after participation!

[kgu-short@kwansei.ac.jp](mailto:kgu-short@kwansei.ac.jp)

Kwansei Gakuin was founded in 1889 by an American missionary, W. R. Rambus, in Hyogo Japan. Kwansei Gakuin is one of Japan's leading private universities with 14 faculties and 14 graduate schools, and is actively promoting the acceptance of international students and the study abroad programs of its students, as evidenced by its selection as a recipient of the 2014 Ministry of Education, Culture, Sports, Science and Technology's "Super Global University."
